On April 7, 2023, the court ordered Defendant detained pending a final hearing on his petition for action on conditions of supervised release. (Doc. No. 88).

On May 18, 2023, Defendant filed a Motion for Furlough in which he requests to be temporarily released so that he can visit his newborn child. (Doc. No. 92).

On May 22, 2023, Defendant filed a Motion for Reconsideration of Order on Release. (Doc. No. 94). Advising that he has secured a placement at Sharehouse's inpatient treatment facility in Fargo, North Dakota, he requests to be released so that he can travel to and participate in Sharehouse's treatment program.

Defendant shall be released to his mother, Georgealene Dubois, no earlier than 11:30 AM on May 24, 2023, for immediate transport to Sharehouse in Fargo.
